ABOUT THE FRESNO COMMUNITY CONCERT BAND

Statement of Purpose

The mission of the Fresno Community Concert Band, besides providing a performance opportunity for the many amateur and professional musicians in the area, is to perform the very best in classical and pops band literature in as many different venues as possible attracting large and diverse audiences.

Organizational Structure

The band, formed in October 1993, is a 501(c)(3) non-profit organization, and is governed by an elected Board of Directors. The Board of Directors oversees all operations of the band and is responsible for the hiring of the Conductor and Band Manager. All artistic decisions are made by the Conductor. The band is governed in accordance with its by-laws. Input from members as to repertoire, schedule, social events, etc. is encouraged.

Funding

The band is funded by concert ticket sales, band membership fees, corporate sponsors, grants and individual donations. Murphy Band and Fresno City College have generously sponsored the band since its inception. Patrick's Music joined them in 2018. All donors will be recognized in all season programs. Budgets are approved annually by the Board of Directors.

Educational Outreach

Many of our band personnel are local music educators, who encourage their students to come to the concerts. In addition, the Fresno Community Concert Band has featured various school performance groups in their concerts by allowing them to perform by themselves and with the band. There are occasional **masterclasses offered by guest artists. Verbal program notes** from the stage are presented by the Conductor. In addition, a qualifying student can be awarded a scholarship, **and be featured as a soloist with the band the following year.**
